To Whom So Ever It May Concern

Certified that the building of SKY WORLD SCHOOL, E-Block, Sun City, Sector-6, Rewari (Haryana) run by Sunilyadav Education Foundation (Rewari) seems to be recently constructed within the period of one year as per my structural analysis.

This building has been inspected by me in person on dated 25/03/2019 and can be considered structurally safe for the period of next ten years.
