TECHNO PROGRAMME & ITS BENEFITS

- 1) A Variety of questions given for practice- In Competitive exams like IIT and NEET, the nature of questions includes all the variants found in the syllabi. Hence, the integration of all the question like statement based questions, assertion and reasoning and multi options type matrix matching, passage type ETC are given importance in the TECHNO SYLLABUS.
- 2) In TECHNO 60% of the intermediate +1 and +2 syllabus is covered of appropriate quantum depending on the grasping ability of the child. This facilitates the student to find and understand the concepts of IPE when they actually step into intermediate.
- 3) The familiarity with the Terminology and the Pattern of examination in the IPE makes it easy for the students of SRI CHAITANYA at intermediate level.
