Respected Sir/Madam,
SUB: Clarification on the deficiencies raised with respect to
Application Number: SL-00465-2526

UNDERTAKING

We request you to go through the clarification on the deficiencies raised with respect to
Application Number: SL-00465-2526 applied for fresh affiliation

1. Our school runs under **NEXGEN Educational Trust**, so that society certificate is inapplicable. Hence, we have uploaded the registered trust deed.
2. The lease deed and fire safety certificate confirm the accuracy of the survey numbers. 83/P, 85 & 86, and plot no Plot no 317,318,319,338,339,340,341&342
However, we noticed an omission of plot bearing no's. **317,318 & 319**, in our NOC. We have approached the secretary to state government to include these plot numbers as per the land deed and fire safety certificate. This process will require sometime to obtain the revised certificate. Once we receive the certificate, we will upload in the mandatory public disclosure and the same will be mailed to your esteemed office.
3. Revised Annexure B(Certificate of Land), Annexure C (Proforma for Safe Drinking water And Sanitary Condition Certificate) , Annexure D(Building Safety Certificate) are uploaded in the progress panel as per the guidelines given.
4. Hence we request the authority to consider our clarifications given on the deficiencies and grant the permission of affiliation in order to safeguard the future of the students.

Thanking you and with profound regards

Yours Sincerely,

PRINCIPAL
